

China Life Insurance Co., Ltd.

November 2012

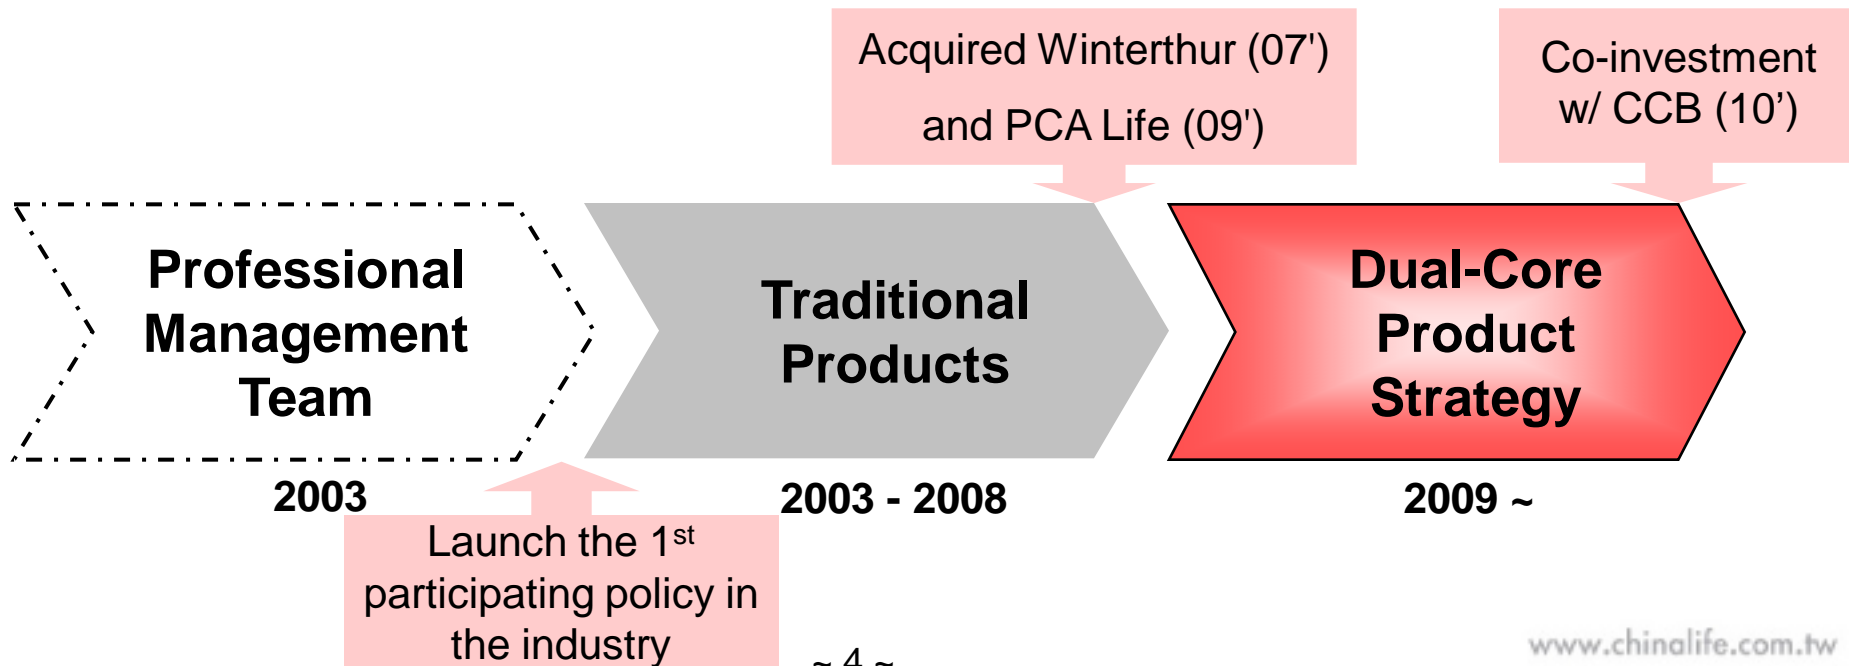

This presentation and the presentation materials distributed herewith contain time-sensitive information on the basis of unaudited financial data and forward-looking statements. These statements present management's expectations, beliefs, plans and objectives regarding future financial performance, and assumptions or judgments concerning such performance. China Life's actual results or developments may differ materially and adversely from those indicated by these statements as a result of various factors and uncertainties including, but not limited to (i) general economic conditions, (ii) performance of financial markets, (iii) the frequency and severity of insured loss events, (iv) mortality and morbidity levels and trends, (v) persistency levels, (vi) interest rate levels, (vii) currency exchange rates, (viii) changes in laws and regulations, (ix) changes in the policies of central banks and/or foreign governments, (x) reorganization measures and (xi) general competitive factors. This document constitutes neither an offer nor a solicitation to purchase or sell securities or other financial products. China Life does not undertake any obligation to update or revise the statements, whether as a result of new information, future events or otherwise. The Company and its representatives assume no liability or responsibility for any damage or loss caused or alleged to be caused by or in connection with the use of the document or information contained herein.

Business Performance

Business Strategies

- ❑ Keep promoting traditional policies to further average down cost of liability (COL)
- ❑ Focus on long-term regular paid policies & high EV contribution products
- ❑ Entered into an agreement with China Construction Bank in 2010, to invest in CCB Life; Currently it has 8 branches in Shanghai, Guangdong, Jiangsu, Beijing, Shandong, Qingdao, Suzhou, and Shenzhen, with business permits in 19 cities, and is expected to have operations in 22 cities by 2012 year end

▶▶ First Year Premium (FYP)

▶ Product Mix (YoY Comparison)

9M 12 - FYP

9M 11 - FYP

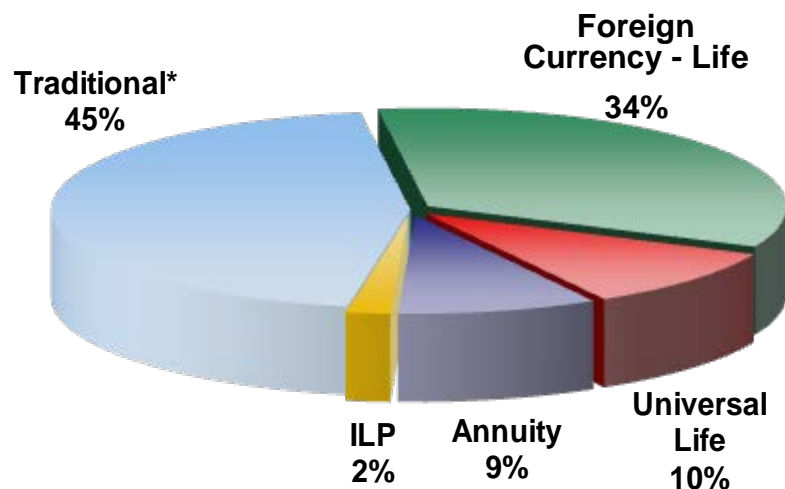

- ❑ Keep developing diverse product offering and target at high margin regular paid products
- ❑ Build up a complete investment linked product (ILP) platform to satisfy customers with different risk preference
- ❑ Increase the sale of protection-based foreign currency policies to enhance clients' portfolio diversification

*Traditional:

incl. Participating, Non-participating, Interest sensitive life, A&H, riders, & short term etc.

▶ Product Mix (APE Comparison)

9M 12 - FYP by APE

9M 11 - FYP by APE

- ❑ Penetrate to regular premium, long duration products with higher profit margin
- ❑ Focus on dual-core product strategy to help policyholders with comprehensive wealth management and retirement plans

* Traditional:

incl. Participating, Non-participating, Interest sensitive life, A&H, riders, & short term etc.

** APE (Annual Premium Equivalent)

= Total amount of regular premiums from new business + 10% of the total amount of single premiums on business written during the period

►► Distribution Channels (by YoY)

- ❑ Led the market to start bancassurance business in 2000 without support from a holding company. As of 2012, the company has penetrated to 34 banks countrywide
- ❑ Introduced an exclusive low-cost, high-productivity financial services team in 1989 to focus on 8,000 high net worth clients, and provide wealth management services to build up loyalty through professionally trained sales team

9M 12 – FYP

9M 11 – FYP

▶▶▶ Distribution Channels (by APE)

- ❑ Expand and broaden multi-channel platform to tap into different segment customers
- ❑ Increased agency sales contribution significantly post PCA Life acquisition
- ❑ Enlarge sales from high profit margin channels and maximize cross-selling opportunities

9M 12 - FYP by APE

9M 11 – FYP by APE

***APE (Annual Premium Equivalent)**
= Total amount of regular premiums from new business + 10% of the total amount of single premiums on business written during the period

Persistency Ratio

Expense Ratio

❑ Fixed Income

- Accounts for more than 80% of total invested assets
- Emphasizes on Asset Liability Matching principle
- Domestic fixed income accounts for 41% of total portfolio; Largely allocated in long duration government or state-owned bonds

❑ Domestic Equities

- Focus on equities with long-term upside potential & high dividend yield
- Select undervalued stocks with sustainable profitability growth

❑ Foreign Investment

- Maintain cautious, with regulatory approval of 45% limit on overseas investment
- Assumption of selective interest rate risk; minimum credit rating requirement A or above
- Utilization of direct hedge and FX reserve; dynamically adjust hedging ratio
- Further increase overseas investment and duration to enhance yield pick-up

❑ Real Estate

- 3% of total assets
- Target at Grade A commercial buildings with 2.5%+ rental yield
- Select areas with high appreciation potential

Asset Portfolio

- Complementary products (China Life's American participating, interest sensitive, accident & medical policies with PCA Life's English participating, investment linked products (ILP), and high profit margin riders)
- More balanced and comprehensive product mix and distribution channels. Target at:

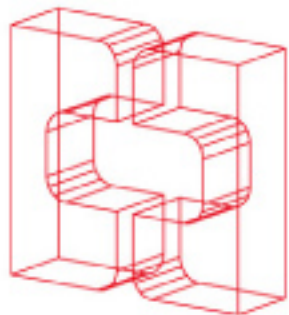

* Others include financial services team, group insurance and brokers

CCB Life Business Overview

CCB Life Introduction

- **China Life** holds **19.9%** stake of CCB Life, with a total investment amount of NTD\$7.4 billion (RMB\$1.58 billion), and obtained one director seat, a supervisory seat, and nominated one independent director. China Life will continue to fully assist in providing insurance expertise and technical support to CCB Life
- CCB Life currently has 8 branches in Shanghai, Guangdong, Jiangsu, Beijing, Shandong, Qingdao, Suzhou, and Shenzhen, with business permits in 19 cities, and is expected to have operations in 22 cities by 2012 year end
- As of Sep 2012, CCB Life's total assets amounted to RMB\$15.8 billion, with paid-in capital of \$4.5 billion, total premium income of \$4.4 billion, and net profit after tax of \$ 33 million; in terms of paid-in capital, CCB Life became 9th largest life insurance company

❑ Strong Premium Growth:

Total Premium income has accelerated from CCB Life's grand opening in July 2011. As of September 2012, It has generated RMB\$ 4.4 billion premium income, with net income of RMB\$ 33 million, already surpassed the full year result last year, and targets at reaching \$6 billion premium income by year end

❑ Market Share Ranking Leap:

Market share ranking climbed from #40 in July 2011, to #34 in the end of 2011, and further leaped to #19 as of September 2012

❑ Diversified Distribution Network:

Add telemarketing and credit card cross-selling to the existing bancassurance, agency, and group insurance channels; and for bancassurance channel expansion, on top of the original CCB network, CCB Life enters into business agreements with 5 other banks

❑ Rapid Branch Expansion:

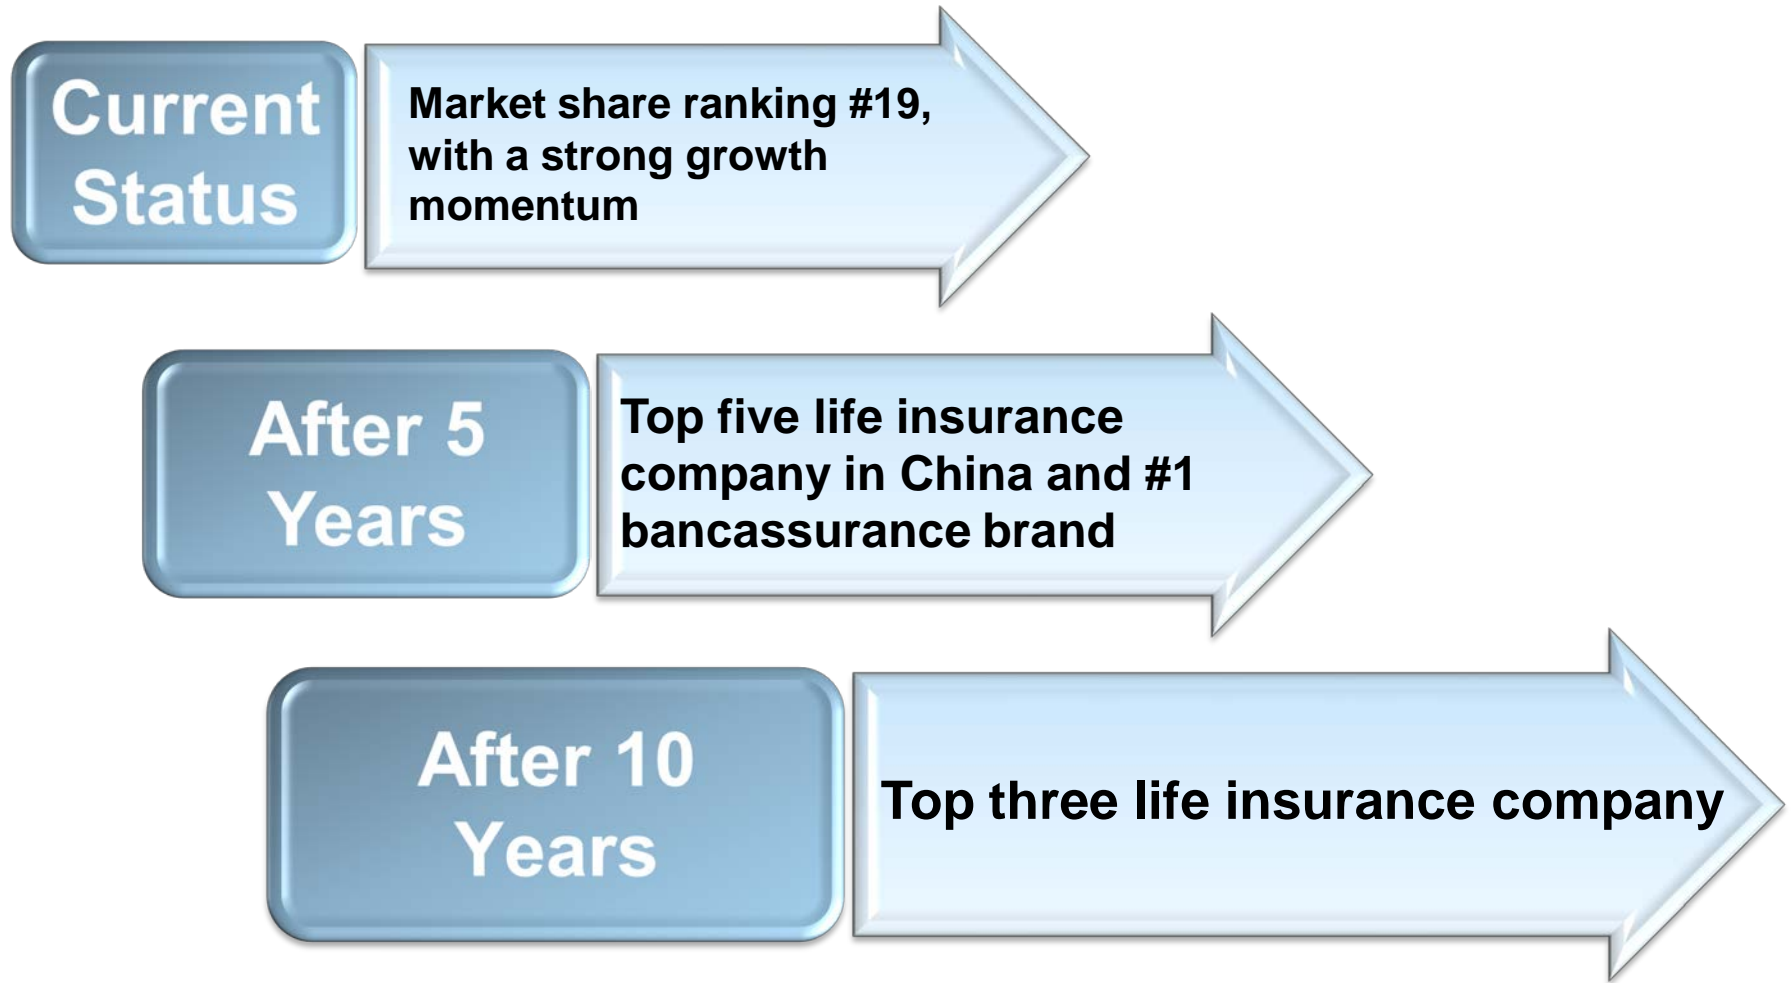

CCB Life currently has 8 branches nationwide, with business permits in 19 cities, and is expected to have operations in 22 cities by the end of 2012

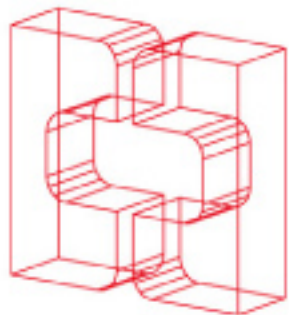

▶▶ Mainland China Strategy

- ❑ Team up with the most competitive partner with strong distribution advantage to become a leading life insurer
- ❑ 19.9% equity investment in a Chinese insurer is superior to a 50% stake in a foreign insurer
