CCB Life Received Set Up Approval for Hebei Branch

CCB Life, China Life's equity investment in Mainland China, received regulatory approval from China Insurance Regulatory Commission (CIRC) for its Hebei branch set up preparation in December 30th 2013. The company received another branch set up approval in Henan Province earlier in November 2013, and upon completion of the operation preparation in both Henan and Hebei Provinces, the two new branches will join CCB Life's ten current operations in China - located in Shanghai, Guangdong, Jiangsu, Beijing, Shandong, Qingdao, Suzhou, Shenzhen, Sichuan, and Hubei - in offering a wide range of life products to further penetrate into the life insurance market in China.
